STATEMENT OF UNINTENTIONAL DELAY

The Applicant respectfully submits that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137 (b) was unintentional.

The Applicant received the filing receipt mailed January 20, 2004, enclosing a Notice of Missing Parts of the same date. However, due to a clerical error, the Notice of Missing Parts' six months deadline was not entered on the database and the deadline was therefore missed.

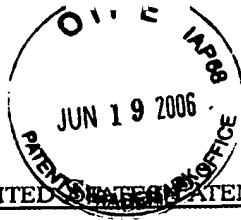

The Applicant now submits a reply to the Missing Parts together with fee payment for one extra independent claim and respectfully requests that the petition to reinstate the prosecution of this application be granted.

A check is attached to cover the petition, and the Missing Part fees amounting to \$1,700.00.

A handwritten signature in cursive script, appearing to read "Kia Silverbrook".
